

# TORDERA RIVER STUDY

## Geographical fieldtrips for schools

## TORDERA RIVER STUDY

### SITES VISITED

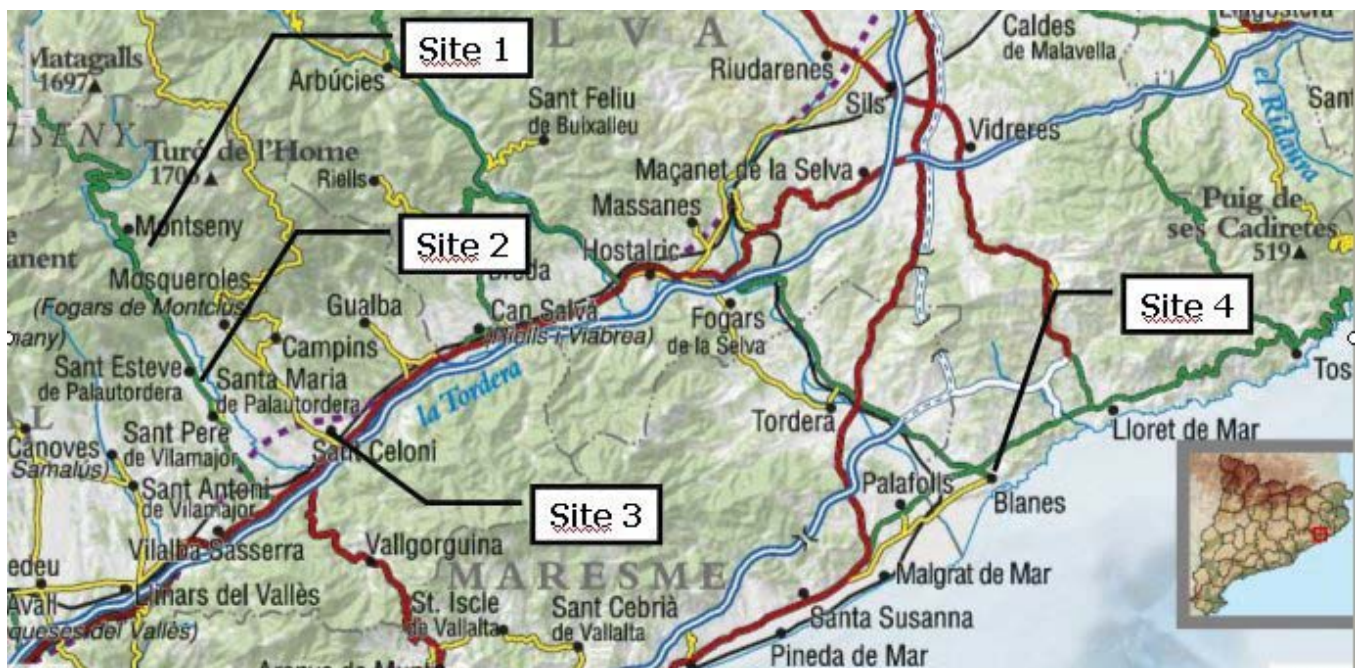

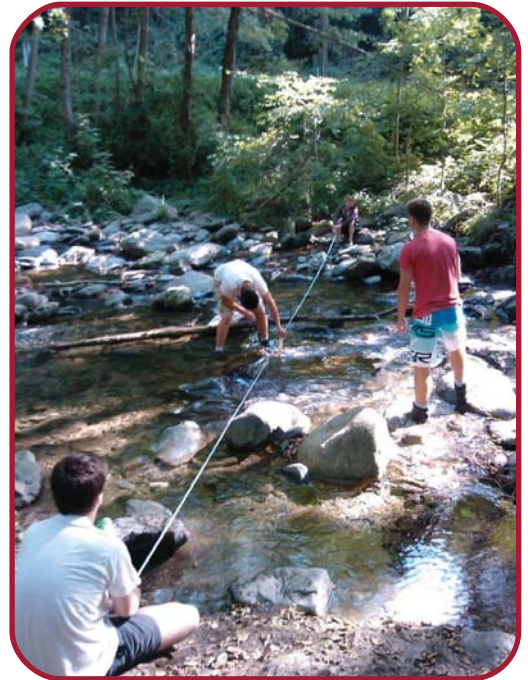

Upper, mid- and lower course of river Tordera  
Delta of river Tordera at Blanes

### TOPICS

Data-collection: river width, depth, gradient, discharge  
Land-use  
Use of equipment  
River processes: erosion, transportation, deposition

### CONTENT

Use of measuring tapes, flowmeters, clinometres, etc. to describe three different points on the course of the river Tordera.

*Ideas, like large rivers, never have just one source.*

**Willy Ley**

*We forget that the water cycle and the life cycle are one.*

**Jacques Cousteau, Oceanographer**

*There's a river somewhere that flows through the lives of everyone.*

**Roberta Flack**
